

ensuring no-one in our community goes hungry

Welcome to the first edition of the new Waterloo Foodbank newsletter

After a hectic festive season, we have finally settled back in to a routine, working out of our South London warehouse in Streatham, teamed up with Vauxhall, Clapham Park and Norwood & Brixton Foodbanks, to provide a delivery only service to Lambeth residents.

The Christmas period proved to be one of our biggest challenges to date, delivering over 1200 parcels with essential items and Christmas treats. With the help of some wonderful businesses we were also able to provide a small gift for each person just to make it that little extra special.

We honestly couldn't have pulled this off without the support of our volunteers, drivers and donors so we thank each and every one of you!

We were pleased to welcome the leader of the Labour Party, Sir Keir Starmer, at our warehouse in January, to talk about the importance of keeping the £20 a week uplift in Universal Credit that has been in place during the pandemic.
